WHY SPONSOR US

THE VALUE OF YOUR SPONSORSHIP

● **AMPLIFY YOUR BRAND BEFORE, DURING & AFTER THE CONVENTION**

Sponsors get brand exposure across multiple channels: event signage, social media spotlight posts, email blasts to members, and inclusion in newsletters and event materials. That means your logo and message are seen before attendees ever arrive and long after the convention ends. Your brand is not just seen, it is remembered.

● **FLEXIBLE PACKAGES TO MATCH GOALS & BUDGETS**

There are different sponsorship levels and options, so smaller companies and large enterprises alike can participate in ways that match their marketing goals. Some packages allow for creative activations (like branded experiences, giveaways, or named sessions), helping you tailor your presence for maximum impact.

● **BE PART OF BRIDGING CULTURES**

TAA is where cultures meet. Sponsoring the convention places your brand at the heart of cross-cultural dialogue, celebrating heritage while building partnerships between communities, institutions, and businesses. This is meaningful visibility that builds trust and goodwill.

WHY SPONSOR US

THE VALUE OF YOUR SPONSORSHIP

● ALIGN WITH INNOVATION IN STEM

Through panels, youth programs, and exhibitions, TAA highlights STEM education, innovation, and workforce development. Sponsors aligned with technology, education, healthcare, engineering, and innovation get to support — and be seen supporting — the next generation of thinkers and problem-solvers. Your sponsorship helps inspire the next generation through youth-focused STEM programs, mentorship, and exposure to career pathways in science, technology, engineering, and mathematics.

● STAND OUT AS A VALUES-DRIVEN BRAND

Sponsoring TAA is not just advertising. It is a statement that shows your organization is committed to community empowerment education and youth development, cultural preservation, and economic growth through trade and innovation. This kind of alignment builds brand credibility and loyalty.

● INVEST IN LEGACY, NOT JUST AN EVENT

By sponsoring TAA 2026, you help fund programs that inspire youth, strengthen families, and connect continents. You become part of a lasting impact that extends well beyond the convention dates.

● BOTTOM LINE:

Sponsoring the 2026 TAA Convention means visibility, relationships, brand power, and industry leadership — not just during the event but all year long.
